Dedication

Hard strong boys' bodies
sweating, straining
beautiful hard muscles
straining for perfection

strong beauty in their strong hard bodies
born of sweat
born of demanding more than they can give
until they can give it.

And who will ask of them
this hardness, this strength
these hours of sweat
the tired aching hurt of afterwards
and more?

You have asked it
and received it
and given us in return

hard strong boys' bodies
beautiful in their strength.

In Appreciation . . .

The press;
free voices speaking out in a free world
has its place, too, in the school.

Young minds
searching for truth and the way to tell it
honestly, tactfully, completely ... imaginatively;

in pictures and in words,
above all, in the inky, penciled-out,
writing-in-the-margin atmosphere
of journalism

and of its classroom;

freedom contained in authority;
lines drawn by you,
and filled in by us all.

Future Homemakers Of America

The FHA takes part in several social activities throughout the year and serves to promote a growing appreciation for the joys and satisfaction of homemaking. Membership is limited to those girls enrolled in Home Economics.

Language Club

The Language Club is composed of students from French, German, Spanish, and Latin classes. The purpose of the club is to promote the language and culture of each country.

Drama Club

The Dramatics Club is composed of students who are interested in speech and dramatics. The club provides an opportunity for expression and development in speech and dramatics.

Literary Club

The purpose of the Literary Club is to broaden the student's cultural background—to read, discuss and gain a deeper insight into worthwhile books. With an emphasis on the humanities, every member has an opportunity to discuss and evaluate ideas about life and its value.

Library Club

The Library Club is comprised of students who are willing to accept responsibilities as library assistants. These students learn the obligations of a librarian, and as audio-visual assistants, help FCHS teachers set up equipment in the classrooms.

Future Teachers Of America

The Future Teachers of America at Fort Campbell High School was organized to better inform interested students in the field of teaching.

Industrial Arts Club

The Industrial Arts Club is composed of students interested in learning about modern industry, especially manufacturing processes.

Science Club

The Junior Academy of Science was formed to promote science activities at Fort Campbell. It also provides an opportunity for students to participate actively in a science program on the state level.

Math Club

The Math Club is composed of interested math students who wish to further their interests in mathematics and to explore new concepts and topics which are not in the high school curriculum.

Future Nurses Of America

The purpose of the Future Nurses Club is to bring together young high school students interested in nursing and health careers.

Photo Club

The Photo Club is composed of students who are extremely interested in photography and who demonstrate a willingness to work for the school.

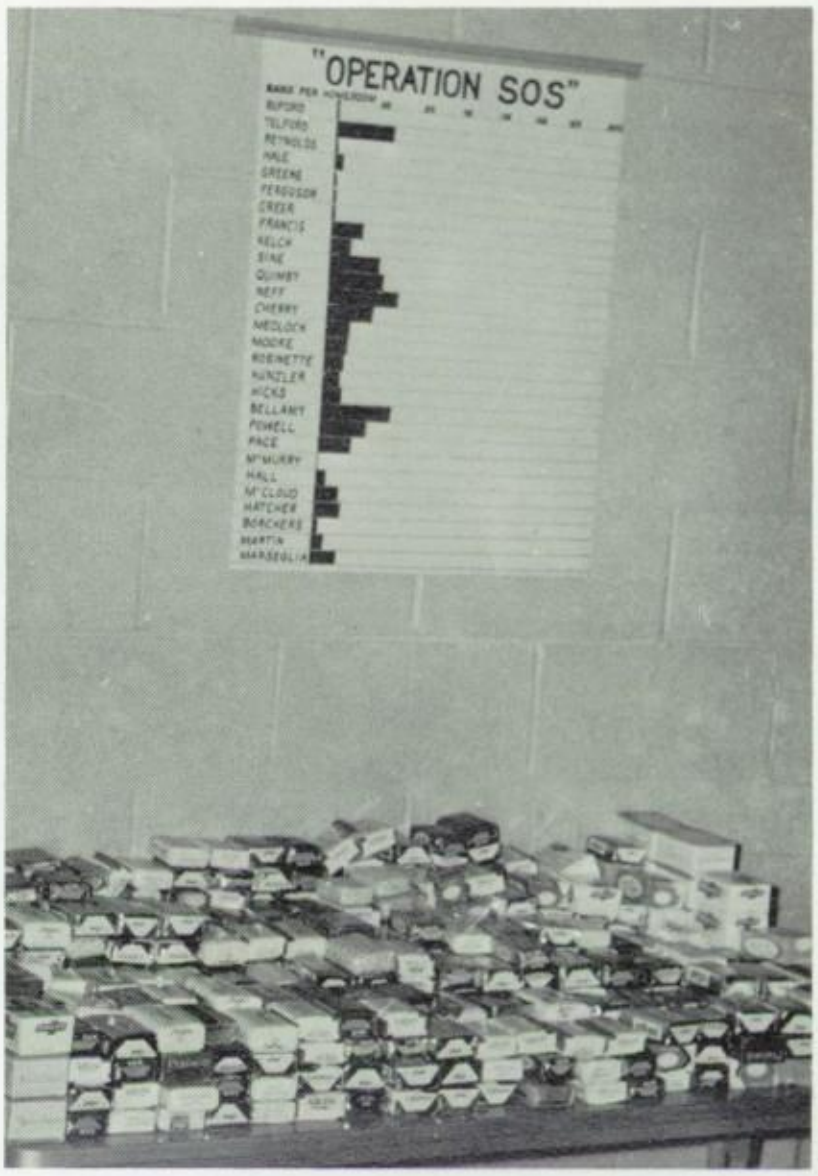
Choral Group

Members of the chorus meet every day at fifth period to express their joy in living through song. Under the directions of Mrs. Jane T. Kelch, the chorus practices its favorites every day and it experiments with new arrangements. Members who attended the Quad State Chorus were John Sirmalis, Susan Nauai, Kay Martin, Kaye Buck, and Doug Griffith.

Business Club

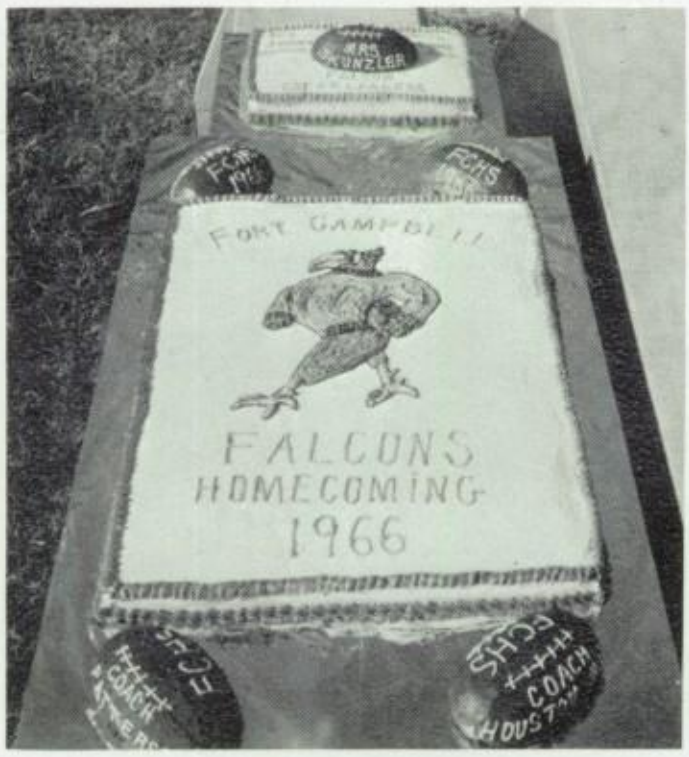
Students from shorthand, typing, bookkeeping, office practice, and economics make up the Business Club. The purpose of the club is to help students that are interested in business to acquire a fuller understanding of business activities.

The F.H.A. officers attend their last meeting with Tina Nelson, former FCHS cheerleader. In order to show her friendship and regret, Anna Mae Faulkner, on behalf of the F.H.A. girls, presents Tina with a "good-bye" cake.



Operation SOS was a project about which FCHS students can boast! It was an appeal to each student to bring several bars of soap for the Vietnamese people. This was one of our most successful projects in the 1966-67 school year!

Here, we see the Junior Class spirit exemplified. Good work, Juniors!



Homecoming was the highlight of the year 1966-67. The lovely (and delicious) Falcon cakes are shown here—before they were devoured by the Falcons!

What else does one do when one flunks an English exam?

The Falconettes

One of the cutest and best Drum Majorettes around—that's Fort Campbell's Carolyn Bowens! Carol has spent her last three years serving Fort Campbell High as a member of the band in several different ways. In 1964, she was a flag twirler; then she became a majorette in 1965, and now Carol is on top as the drum majorette. Although she has marched many a freezing night, Carol enjoys twirling; and since this is her last year, we'd like to thank Carolyn for the wonderful performances she has given at every game, and we wish her the best of luck in the future.

Here are our bouncing "Falconettes" as they proceed to the Homecoming game. They are Barbara Joyner, Bernice Evans, Carolyn Bowens, Angela Owens, Pat Moody, and Cheron McCullah.
